# W. W. PROMOTIONS

No. 1 'CHICK' WOODROFFE  
No. 5 'DOUG' WARDROPPER

Good afternoon all. Today is our seventh Stock Meeting at Lynn, which means we are halfway through the season. The Trophies today are presented by the Fivers Fan Club. Even though my partner Doug Wardropper No. 5 does not race at Lynn, his Fan Club are that keen they insisted on donating Trophies at his Track. Incidentally

Doug made such a good job of commentating at our last meeting, by popular request he is now our resident commentator. I must add a word about the Grand Display by the "Hellcats" at our last meeting, first both the driver Ed Cunnew and the Stunt Man Sam Bartram are now recovering in Hospital from burns received at Lynn last meeting, we trust that by the time you read this programme they will be quite fit. The collection on their behalf raised over £20. Thank you everyone who contributed.

As ever in sport,

**CHICK WOODROFFE and DOUG WARDROPPER**

## CHICK CHAT

Today it is our pleasure to welcome back 189. Johnny Marquand the present World Champion. Everyone who was at our opening meeting will remember Johnny for his terrific racing and his fine sportsmanship in the Final when he chose to race the two white tops rather than force his way past!! Johnny comes from Notter Bridge, Saltash, Cornwall, I am proud to count his charming wife Shiela and himself amongst my closest friends (off the track of course). No one can forecast the result of a Stock Car meeting, but win or lose Johnny will be driving like the Champion that he is.

Roy Hinton 23 the man who won our Final two weeks ago, swears I can foretell the future, before the Consolation I asked his lovely wife to do the honours and present the Final Trophies. Of course Roy won. That's one Final winner who won't get into trouble for kissing the girl who gave him the trophy. A grand race which he deserved to win. Roy will have a chance at a later meeting to have a bash at the Match Race.

John Coote 630 is a man to watch he must win very shortly. A local driver who has all it takes except up to now! (the luck it needs). I forecast his luck is due to change soon.

The production cars seem quite popular so again we try them today. Many of our officials and staff wanted to have a go, this week they can do so in a separate event after the Consolation.
