Round the Bends

IT'S HOT DOG DAY AGAIN

We always know when the season is drawing to a close when the time comes for genial Fred Summerfield to present one of his annual trophies; that time has come, and now that I have written these words, I seem to recall that I wrote very much the same last year. Well, perhaps it doesn't matter, because one or two of you may not have been here last time!

It seems that there has never been a time when Fred was not dispensing his hot-dogs here at Brafield, so much a part of the scenery has he become. Many a windy day here has been improved by the scent of Fred's onions floating across the arena, we think, and Brafield without Fred is now unthinkable.

As usual, we do not know what he is going to present; we do know, though, that whatever it is, it will be well worth the winning.

Thank you again; Fred, we are lucky to have you with us.

THE ARGUMENT CLOSES

It would appear that our point of view in the matter of Stewards, so fully and accurately quoted by Peter Arnold in his current issue of the "Stock Car Racing News", has now been accepted by the Board of Control, for last meeting was presided over by that experienced and knowledgeable referee, Nick Reynard. This was entirely independently carried out by the Board, and we thank them for their attention to this matter, and for understanding our views. We hope that this will continue to be the spirit in which we can co-operate with the Board.

THE SPEEDWAY RACING

At the opening meeting of our speedway, there were a number of hitches which held up the proceedings; these were only to be expected from an entirely new organisation, but the main point that impressed people was the thrilling nature of the racing. I anticipated that this would be so, taking into account the shape and size of the track. Thank goodness I was proved right! I would have hated to be the other way round, with wonderful slick presentation and boring racing!!!

A SUNDAY HABIT

What with the speedway racing and the stock cars, there is always something doing at Brafield on a Sunday. Every Sunday until the end of October is now occupied with some event or other, and the two that stand out are the local Derby speedway match between our team — of course, they are nicknamed "The Badgers" — and the Coventry "B" team, which takes place next Sunday, and the big day which is the subject of the very next paragraph.

THE WORLD CHAMPIONSHIP

Bookings are going well for this, and it looks as though the best seats in the stand will soon be taken. Hurry up now if you want a good spot from which to see the greatest day of Junior Stock Car Racing of the season.

Hitmaker NEIL CHRISTIAN and TV personality SAMANTHA JUSTE are the big names who are visiting us on the day, and there will also be music from two very different sources — quite apart from Rick Thomas' gramophone. We shall have the stirring sound of the WELLINGBOROUGH REDWELL CARNIVAL BAND to cheer us, together with their phenomenal marching display; also, possibly playing after the meeting will be that sensational group THE ODYSSEY, which means that, if the weather is right, the celebrations might even go on until dawn on Monday! But, at my age, I shall not be there that long!

A CHANGE OF VOICE

We are inviting PETER ARNOLD the man most entitled to the soubriquet of "Mr. Stock Car Racing", to do the commentary on the big day, because I am going to have plenty to do, and I think it would be nice to have this nationally-known commentator in the chair. Peter may allow me to say a few words, but he usually listens to my commentaries with an expression of horrified anticipation on his face — but at least this appointment will make Mr. Turner of Frome happy!

The Board of Control chairman, Mr. Stan Hinckley, suggested that Frida Arnold be invited to join with Peter Foxwell in the lap scoring so that there should be no queries on the day. This was not meant, we know, in any way as a criticism of Peter's work; in fact he has proved most accurate and queries have been down to a minimum (and one of them was due to a fault of mine!) this season. It is merely a precaution, because when drivers and their supporters get an idea into their head that their favourite has not been placed so highly as they had thought him to be, and they find a lap-scorer whom they do not know, they are inclined to press their often false claims so hard that a doubt arises in the minds of all who hear. That is the only reason that we are doubling up on the lap-scoring. We are not only satisfied, but delighted with Peter Foxwell's work.

AND STILL THEY COME

Today we have some more new drivers, even at this late stage of the season. We wish them luck.

ANNIVERSARY 'ANDICAP, INDEED!

Final event on today's programme is a bashing private race presented by the Alconbury Spartans Club from the U.S. Air Force base in Huntingdonshire. We are not quite sure what these boys are going to get up to, but they have murmured words like 'demolition' and 'destruction' in our hearing. The point of it all is that this is round about our eleventh anniversary of Stock Car Racing at Brafield, and they aim to show what it was like in 1955. Some of you may remember, but others won't, and the whole thing is not meant to be taken too seriously anyway. Enjoy yourselves and thank you, Alconbury.
