got water in the works. Well folks thanks for your support lets hope its fine today, and on with the racing.

As ever in sport,

**CHICK WOODROFFE and DOUG WARDROPPER**

THE F.II WORLD FINAL, IS AT BRAFIELD, SEPTEMBER 18th.

---

## CHICK CHAT

What grand folks you meet when you go Stock Car Racing. After last weeks Mudbath, some kind people from the crowd went home and came back with dry clothing for Eddie Asling 253 and his family. Eddie did not know the people at all and asked me to convey his grateful thanks.

---

A new Stock Car Track opened last night at Rayleigh in Essex and many of our Drivers here today raced there. Doug and I will be on tenderhooks hoping not too many suffered damage and that we won't be short of cars today.

---

As many of you know the Steward cancelled the Helter Skelter last meeting because of the weather. So today there is an extra race in the programme. We are trying something Different, a Double Helter Skelter, first one for the Whites and Yellows only, to give the lads a chance. The second one a real flyer, Reds and Blues only. We can't expect many cars to take part, but those that do should really go.

---

Don't forget to write in with your suggestions as to how we can alter the programme, or just to praise or criticise whatever it is, we like to hear from you.

---

Last meeting Alan Hough stepped in to help us out as commentator to allow our Doug (5) to race. He made a very good job of it too.

Today we have the one and only Peter Arnold (Mr. Mike Himself). Peter has been around the Tracks since the very start and is well known everywhere both as a commentator and as a journalist he is of course also the Editor of Stock Car Racing News which is on sale here today, August Issue. Also on sale in the Supporters Club Kiosk today is at last Kings Lynn Stadium's own Stock Car Transfers, for your car. Price 2/3d. each, so don't forget to call in the kiosk and buy one. Its amazing how popular the Transfers are. You bump into all manner of people all over the country with your track transfer displayed.
