## ROUND THE BENDS

### THE STEVE BATEMAN TROPHY

You will have read, I suppose, in our last programme how Steve Bateman came to think about presenting a trophy for "C" grade drivers, and why he chose Brafield for the site. If you have not, I shall recap very briefly by telling you that, because Brafield gave Steve the start to his career that culminated in his winning the World Championship—at Brafield, of course—and because Brafield is still doing just that, though we cannot guarantee that every "C" grade tyro who drives here will win the coveted crown.

So it comes about that the Steve Bateman Trophy is a sort of reciprocal gesture of gratitude between Bateman and Brafield, and we hope that this will become a regular feature of the Midland scene.

Steve is taking part in the Hy-Grade scurry and we hope that he can be the one to receive the All-Comers' Trophy at the end of this afternoon.

### IN TWO WEEKS' TIME

What a turn-out we expect to have on May 28th! We are inviting as many of the Plymouth/St. Austell/Newton Abbott drivers as can make the trip, and followers of real stock car racing will know that, just as the Ancient Britons had to flee to the West, so the sort of stock-car racing that I like (I have been asked not to include anybody else in my opinions!) did the same thing. We look forward to seeing such doughty lads as the White Bros, Horace and Ron, the Ugaldes, Phil and Peter, Cecil Bennett, Richard Long, and perhaps a few Hilborns and Johnny Marquand might make up the number. I am also inviting that very speedy Londoner, Eddie Asling, and a few of the lads from Hampshire to make up one of stock car racing's greatest and fiercest dog-fights—the struggle for Junior World Championship points.

### WELCOME TO BRAFIELD

One of the faces making its first appearance today at our track is that of AUBREY "FOXY" DANCE, a neighbour of mine from Farnborough, Hants. Aubrey has for some time been one of the top stars of "a rival organisation" (We are not allowed to mention Spedeworth by name). Aubrey has a huge fan-club, and I have seen him on many occasions. Believe me, this is a driver of very considerable class and a very fair exchange for Trevor Frost, although this was not the intention. Aubrey has come to us because he still fancies the Ford formula and he found that keeping up with the Jones's with their new B.M.C. power units was taking the fun out of the sport.

Welcome to Brafield, then, Aubrey, and we hope you do well. I might also mention that another neighbour of mine, John Millgate, is another convert this season.

### WANT A CUP OF TEA?

Lots of people have travelled the Buckingham-Oxford road on their way to and from Brafield, and wondered where they could get a decent cup of tea and something to eat. Well, at Tingewick, their problems are solved. I called in at the White Hart cafe there recently and the service is excellent and the food jolly good and plentiful. Try it and see.

### POSTERS PENS AND THINGS

A reminder that you can get all sorts of Brafieldiana at the office before, during, and after the meeting. There are posters, stickers, transfers etc. to be had, and we are going to arrange with Ted Hooper to sell photos too.

Sorry this is a short editorial this week, but the list of runners has stolen a page from me. Look forward to hearing from you, I do.

GRAHAM GUTHRIE.
