Top-Liners again

As is so often the case at this, one of Britain's favourite Stock Car Circuits, the mid-summer meeting has attracted the topmost Senior Star Grade drivers - red roofs - also the World Champion Freddie Mitchell (No. 38) with the distinction of the gold painted roof.

In addition we have today a selection of the other classification in Stock Cars, namely Juniors (formula 2) so named by reason of the car horse power limitation. Even so, they match very well with the 'Seniors' - some of the well known drivers are in both classes today.

The new motorway barrier installed at the bottom of Paddock corner, a recommended safety precaution, will present a new 'stopper' to those who 'ride high' at this point!

Karters with their remarkable little machines will again provide enjoyable diversion when they compete on the separate "Gooseneck" circuit for an hour beforehand and during two intervals when things are being 'cleared up' on the Stock Car circuit.

Above all don't miss our Greatest of all Stock Car Meetings the 1967 "RACES OF THE YEAR" when Seniors and Juniors will battle for a huge prize purse including £100 first. All the Top-Liners in both categories will be here - Sunday, August 13th - make a note of the date.
