## FIRST WINNERS . . .

Carrying on where he left off last season, Formula II World Champion and National Points Champion Johnny Marquand of Saltash swept all before him in the year's first meeting of the season at Harringay on March 12th. He won the consolation event and the All-England Trophy final in great style in his 189 car. Beside him, Londoner Johnny Allen proudly holds his award — second place in the final, following a heat win and a second to Marquand in the consolation event. They dominated the meeting on a cold, March night.

# BACK COVER BOYS..

One of the greatest enthusiasts in the South-West is HARRY COLLINS (508) of Launceston. He is Chairman of the Plymouth Stock Car Association, travels to most Formula II meetings, and is a helpful character. Fordingbridge's JOHN HOLLEY (554) came to the fore in the closing stages of last season, after three years of 'scratching' and could be a head-liner this year.
